<p><u>Our worship this Term.</u> Next Pupil Led Worship Thursday 16th October</p> <p>Our new school vision has been launched:</p> <p style="text-align: center;">'Be Known. Be Loved. Belong.'</p> <p style="text-align: center;"><i>"Who you are if God's gift to you. Who you become is your gift to God."</i> (Bishop of Lincoln 2025)</p> <p>The children discussed the school vision and for their pupil led worship they would like to gather photos of the vision and then present it to the school. They had the following ideas.</p> <p>Be Known: Show and tell. Classes did a 'getting to know you' activity at the start of the year. In worship our names are used. When we put our hands up in class our names are used. Other people nominate us in the nominations book and we can get values award. Morning greeting, staff and Mrs Jackson know our names. Walking around school staff who haven't taught us say our name. Teachers ask us about what we have done at the weekend. Dinner ladies know our name. Forces Friday is for children who have parents in the RAF. Change champions is for children who want to make a difference. All of our school clubs we join because we like them.</p> <p>Be Loved: We give each other a hug if we are sad. Year 6 love their Reception buddies and wait for them so they can play with them. At after school club, you are helped with your art activities. Adults help us in class because they care. We play with each other because we love our friends. We are given food if we are hungry and can have seconds because we love our food. Children give up their playtime to do tuck shop because it is important to everyone. If we are injured adults help us and we get an ice pack. Teachers love us because our lessons are ready and set up before the start of the day.</p> <p>Belong: Everyone calls our school the Reepham family, people say it all the time. We have a school logo. We go to all the clubs because we belong here. We have badges for 'Reepham Rangers' so we can do things outside of school for our school. We have a school prayer. Our parents buy our school photos so they like that we belong here. We know the school values. We learn about the British Values. Our parents like the school photos and put them up in our house instead of holiday photos.</p>	
<u>Actions:</u> Badges to be ordered for our new Awe and Wonder Committee Take photos of the suggestions above and create the pupil led PPT. Confirm date for worship monitoring. Meet with Reverend Jess on Thursday 9 th October to discuss worship.
