Any Other Business

The Awe and Wonder Committee would like to develop a quiet reflection area. They think it would be nice out the back of Year 4 Classroom but there is also the opportunity to develop what was the football area on the back playground.
Next meeting, we shall gather ideas so we can create a plan for Mrs Jackson. We also want to make sure the newly painted school hall looks welcoming for worship. Max had many ideas including candles, gentle music, colouring, opportunities to write prayers and stories to be read.

Next Meeting.

Discuss Ideas for next pupil led worship.
